INTRODUCTORY.

IN presenting the seventeenth volume of Caron's Directory of New Albany and Jeffersonville to the public we assure the citizens every energy at our command has been brought into play to insure a complete and accurate publication.

The condition of the two cities today surpasses that of any period of their existence.

New Albany continues to add to her manufacturing establishments and is enjoying marked prosperity. Her facilities for transportation are exceptional, having no less than four trunk lines at her door, in addition to the river transportation afforded by the Ohio and Mississippi rivers and their tributaries.

New Albany possesses superior educational facilities: her people are intelligent, conservative, and happy.

The population of New Albany is steadily increasing, as will be shown by the present Directory, which contains 12,933 names, as against 12,254 names in the 1905 Directory, an increase of 679 names and 1,358 in population. The present population of New Albany, according to the 1907 Directory, is 25,866.

Jeffersonville has made substantial gains since our last issue. The American Car and Foundry Company is working fully one thousand more men than in 1905. The Howard Ship Yards and all the smaller factories are running full force.

The citizens of Jeffersonville are much elated over their success in keeping out the high water during the last two floods. The city spent \$4,000 in raising and reinforcing the embankments along the tracks of the P., C., C. & St. L. R. R. Co. at Clarksville, thereby strengthening the only weak point in the entire wall protecting the city. The citizens claim Jeffersonville was the only city along the Ohio river that did not suffer from the recent floods.

The Jeffersonville Directory contains 8,484 names, an increase of 653 names, and an increase in population of 1,306. The present population of Jeffersonville, according to the Directory, is 16,968. This is a substantial gain since 1905.

Daily Tribune, Weekly Tribune,
10c Week by Carrier. \$1.00 Year by Mail.

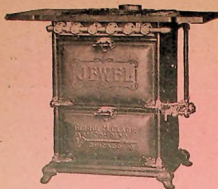

THE DAILY TRIBUNE is your home newspaper; bright, clean, progressive. It deserves your support on this ground, if no other.

The Daily Tribune is the only Republican daily paper in the Third Congressional District, embracing the nine counties of Crawford, Perry, Dubois, Harrison, Orange, Clark, Washington, Scott and Floyd. For this reason it has a wide circulation throughout these counties, as it is the organ of the Republicans of the district. The WEEKLY TRIBUNE goes into homes in every corner of this and surrounding counties, and in many cases it is the only paper that reaches the substantial farmer of this section. The DAILY TRIBUNE has a circulation larger than any of its competitors. The foregoing are facts. An advertisement placed in the TRIBUNE always brings results, as a trial will prove to your satisfaction.

The Association of American Directory Publishers is composed of reputable City Directory Publishers, organized for the general advancement of the Directory business. Any person, corporation or firm engaged in business as owner and publisher of a City Directory in the United States or Canada, who shall qualify as competent to gather information and compile a City Directory and furnish satisfactory references, is eligible to membership.

The objects of the Association are:

First. The advancement of the Directory business and the improvement of Directories by the interchange of ideas and the exchange of experienced employees.

Second. To provide **protection** to the public against **fraudulent advertising schemes which operate under the name of Directories**, and to drive unprincipled promoters of the same out of the business.

Third. To provide permanent and profitable employment to competent, industrious and honest Directory canvassers and compilers.

Fourth. For the mutual protection and advancement of the established and prospective interests of all who may become members, by personal advice and assistance of members as may be mutually satisfactory, desirable or advisable, and by such other means as may, from time to time, be shown to be wise, proper and lawful.

\$100.00 Reward Will be paid by the Association for the arrest and conviction of any person or persons engaged in publishing, collecting or canvassing for any **fraudulent or fake directory**.
